

# Right Science - 5 (First Term)

April	May	August	September	October
W1 1.1 Branches of science	W1 2.1 Investigating living things	W1 3.2 Stomach and digestive system	W1 5.1 Flowering and non-flowering plants	W1 Revision of Syllabus 1.1 Branches of science 1.2 Scientific methods 2.1 Investigating living things 3.1 Brain: The control panel 3.2 Stomach and digestive system With all related exercises given in text book and activity book
W2 1.1 Branches of science	W2 3.1 Brain: The control panel	W2 3.3 Respiration and respiratory system	W2 5.1 Flowering and non-flowering plants	W2 Revision of Syllabus 3.3 Respiration and respiratory system 4.1 Life cycle of living things 5.1 Flowering and non-flowering plants 6.1 Matter, mass and weight 7.1 Understanding sounds With all related exercises given in text book and activity book
W3 1.2 Scientific methods	W3 3.1 Brain: The control panel	W3 3.3 Respiration and respiratory system	W3 6.1 Matter, mass and weight	W3 Mid term exam
W4 2.1 Investigating living things	W4 3.2 Stomach and digestive system	W4 4.1 Life cycle of living things	W4 7.1 Understanding sounds	W4 Mid term exam

# Right Science - 5 (Second Term)

November

December

January

February

March

W1

7.2  
Striking light

W1

8.1  
The soil

W1

8.2  
Deep into the earth

W1

9.1  
Pollution in environment

W1

Revision of Syllabus  
7.2 Striking light  
7.3 Electromagnetism  
7.4 Forces  
8.1 The soil  
With all related exercises given in text book and activity book

W2

7.3  
Electromagnetism

W2

Page 84 - 88

8.1  
The soil

W2

8.2  
Deep into the earth

W2

9.1  
Pollution in environment

W2

Revision of Syllabus  
8.2 Deep into the earth  
8.3 Planets and the solar system  
9.1 Pollution in environment  
9.2 Greenhouse effects and the global warming  
With all related exercises given in text book and activity book

W3

7.3  
Electromagnetism

W3

*Winter vacation*

W3

8.3  
Planets and the solar system

W3

9.2  
Greenhouse effects and the global warming

W3

Final examination

W4

7.4  
Forces

W4

*Winter vacation*

W4

8.3  
Planets and the solar system

W4

9.2  
Greenhouse effects and the global warming

W4

Final examination
